Wed. Nov. 4<sup>th</sup> '70.

~~anyway~~ <sup>So-o</sup> the votes have been ~~not~~ -  
 counted -  
~~the results tabulated~~ - most of them; ~~anyway~~ and now -  
 for a brief survey of ~~the final wrap up of~~ <sup>- the outcome.</sup> Campaign Seventy, Political  
 pundits <sup>here and</sup> of every <sup>where - even</sup> ~~part of the world~~ ~~is in the U.S.~~  
~~are~~ right around the globe <sup>are</sup> attempting to explain  
 who won what, where, when and how.

National Democratic Chairman Lawrence O'Brien  
 for one, calling the outcome - a great "national  
 victory" for the Democratic party. Basing his claim  
 mainly on a pick-up -- of at least ten Democratic  
 Governors.

However, the Republicans <sup>are</sup> quick to point out -  
 that the Nixon administration <sup>has</sup> gained at least three  
 Senate votes - and possibly four <sup>on key issues -</sup> ~~or five~~ -- while  
 losing only nine seats ~~in the House, of Representatives.~~  
 This seen as the most powerful showing by an incumbent  
 administration in an off-year election ~~in~~ in more than

fifty years. Vice President ~~Spivey~~ Agnew taking note -  
of the defeat of Senate "Doves" such as Senator Goodell  
and Senator Gore; which should stop - said he -  
"some of those silly resolutions about tying the  
President's hands in foreign affairs."

As for the view from the top - the Western White  
House <sup>where the word, that</sup> ~~is~~ <sup>today</sup> "The President is very pleased -  
about what has transpired." White House advisor  
Robert Finch adding that the outcome - had clearly  
surpassed the Administration's stated goals. And he  
~~said finally:~~ <sup>added:</sup> "Had not the President campaigned as he  
did - it would have been a far <sup>different</sup> ~~other~~ result."

## SAN CLEMENTE FOLLOW ELECTIONS

Now this: The President himself - meeting with reporters at San Clemente; ~~was asserting that~~ <sup>said</sup> the results of congressional elections - had "greatly strengthened his hand in the conduct of foreign affairs."

As he put it:-

"The President can now speak with a stronger voice"

~~said he~~ "because he has stronger support in the Senate."

This - he went on - now giving the administration

"a working majority in both the Senate and the House - for foreign policy and national defense."

The President then saying he was convinced - this was "a victory." And he added: "I am most grateful - to the majority of the American people."

UNITED NATIONS

At the United Nations - New York - a mid-east resolution newly introduced by an Afro-Asian bloc - was approved today by the full U N General Assembly.

~~It~~ The measure calling for a three month extension of the present mid-east cease fire - which otherwise would end at five tomorrow afternoon, <sup>of</sup> New York time.

The measure also demanding Israeli withdrawal from occupied Arab territory - under the threat of U N sanctions.

However, the U S and Israel <sup>are</sup> both opposing the resolution; . Noting ~~the~~ principally that it failed to take into account - ~~the~~ alleged Egyptian violations of the present cease fire. U S Ambassador Charles Jost therefore calling it - "a step backward," "the last thing" - ~~he~~ said he "that the international community can afford" at this time. Israeli Foreign Minister Abba Eban <sup>saying</sup> ~~that~~ ~~the~~ resolution had ~~been~~ destroyed a consensus

-- so laboriously built up by the U N Security Council.

In so doing ~~said to~~ actually serving to "obstruct"

the future cause of peace in the Mid-East.

CAIRO AMMAN FOLLOWED UNITED NATIONS

~~A later developments~~ Egypt and Jordan both  
~~saying tonight~~ they will comply with the ~~UN~~ U N's  
requested truce extension; <sup>and</sup> ~~This virtually assuring~~  
~~a continuation of the cease fire - in as much as~~  
Tel Aviv has already said the same. ~~And so - in the~~  
~~mid-east - an other reprieve - we hope.~~

INDO CHINA

Air war in southeast Asia - marked today by another devastating attack - ~~on~~ on the Communist's vital Ho Chi Minh supply trail in Laos; the latest in a four week series of daily attacks -- carried out by an average of thirty two big B-fiftytwos ~~and~~ -- also hundreds of smaller jets. Total explosives thus expended - the equivalent of three Hiroshima sized atomic bombs - ~~we are told. U S sources in Saigon~~ adding that these air strikes <sup>to</sup> will continue unabated - <sup>for</sup> perhaps <sup>^</sup> months; ~~or, at any rate, as long as necessary~~ - <sup>southbound</sup> to stem the <sup>^</sup> flow of Communist supplies, heading southward.

STATE

Washington again - the U S State Department expressed to the Kremlin & its growing ~~impatience~~ impatience. ~~FMS~~ over the fact that Russia is still holding ~~the~~ the two American Generals who strayed inadvertently into Soviet Armenia. A State Department spokesman saying - it was clearly a case of "accidental intrusion."

~~Adding~~ <sup>and</sup> ~~that~~ "we completely fail to understand the long Soviet delay - in completing an investigation of the matter." And ~~we~~ warn<sup>ing</sup> that the U S is now considering - "further action."

**WASHINGTON FOLLOW INDO CHINA**

*Here at home - a U S marine who returned recently from Sweden - was officially charged today with desertion and aiding the enemy. P F C John Sweeney of West Babylon, New York ~~was~~ accused of deserting his post in Vietnam in February of Nineteen Sixty Nine. ~~Marine specifications adding that he then~~ <sup>and</sup> ~~aided~~ <sup>ing</sup> the enemy "by recording in his own voice - pro-Communist and anti-American propaganda;" both as a prisoner in North Vietnam - and later in Sweden.*

to ~~the~~ <sup>the</sup> inauguration yesterday - Assistant Secretary of  
State Charles Meyer.

Allende - as you know - a self-styled "implacable  
enemy of Yankee imperialism." Meyer reporting,  
nevertheless - the new President was extremely cordial.

Meyer adding that he found Allende - "a sincere man -  
of great mental ~~clear~~ clarity - and with much experience  
in dealing with the problems in his nation."

MOSCO W

Russian author Alexander Solzhenitsyn - recently named the Nineteen Seventy winner of the Nobel Prize for Literature; in the wake of which - ~~the~~ Solzhenitsyn has been sorely criticized in Soviet literary circles; his books - dealing mainly with official repression during the Stalin era - called clearly anti-Soviet.

Now at last - the reverse side. Moscow sources quoting a prominent ~~the~~ Russian - as stoutly defending the authenticity of Solzhenitsyn's writings. Saying the author - "told it like it was." Adding that "he did not get the Nobel prize - for nothing." These quotes

~~the~~ attributed to one of the author's earliest fans - none other than Nikita Sergeevich Khrushchev. And, <sup>Warren</sup> ~~then~~ if anybody knows - <sup>- Nikita</sup> ~~he~~ should.

→ And now - a special W-Dad - down here in the 5040's

celebrating its twenty-fifth anniversary. Here's to

W-Dad and a-l-u-t-m.

The election news from Alaska of course was of <sup>rather</sup> special interest to me -- the veteran sourdough Bill Egan elected governor over the incumbent Gov. Miller. Also the Alaskan lower House is now controlled by the Democrats, and many are wondering what this will mean in settling that billion dollar oil pipeline matter <sup>and the spending of the 500 million oil money now in the Alaska state exchequer.</sup> Oh yes, and the Alaskan Gov. Troon was re-elected to the Senate. 3 Cheers for him.
