THAT THEY CAN LIVE WITH THIS SETTLEMENT. THE  
NEW YORK PAPERS ARE EXPECTED TO BE ON THE STANDS  
AGAIN - BY THE MIDDLE OF NEXT WEEK. THE END OF  
THE LONGEST AND MOST EXPENSIVE STRIKE - IN THE  
HISTORY OF THE CITY. HOW EXPENSIVE? THE OFFICIAL

WEATHER

47  
RESCUE WORKERS ARE KEEPING AN EYE ON THE SANDUSKY AND CONGAREE RIVERS. THESE BEING THE TWO - THAT SHOW NO SIGNS OF SLOWING DOWN. THE SANDUSKY FORCING FIVE HUNDRED PEOPLE FROM THEIR HOMES - IN FREMONT, OHIO. THE CONGAREE, CAUSING THE WORST FLOODING OF THE DECADE - BETWEEN COLUMBIA AND LAKE MARION IN SOUTH CAROLINA. TONIGHT, FARMERS ARE HASTILY REMOVING LIVESTOCK - FROM THE VALLEY OF THE CONGAREE.

ELSEWHERE, IT'S MAINLY A MATTER OF CLEANING UP - MOUNTAINS OF DEBRIS. <sup>of</sup> IN ATHENS, OHIO, THE STUDENTS AT THE UNIVERSITY OF OHIO - ARE TRYING TO MAKE THEIR DORMITORIES SHIPSHAPE AGAIN. SAID ONE UNDERGRADUATE - "NOW THAT THE WATER'S GONE, MAYBE WE CAN HOLD OUR SWIMMING MEET."

MIDDLE EAST

AMERICA'S LEADING TROUBLE SHOOTER ARRIVES  
IN THE MIDDLE EAST - JUST IN TIME FOR THE LATEST  
CRISIS. ELLSWORTH BUNKER, SENT BY PRESIDENT  
KENNEDY - TO KEEP THE PEACE BETWEEN SAUDI ARABIA  
AND THE UNITED ARAB REPUBLIC. GETTING THERE AS  
THE MIDDLE EAST CAULDRON BOILS OVER - IN SYRIA.

48  
SYRIAN ARMY OFFICERS, REVOLTING - AGAINST  
THE GOVERNMENT. SEIZING POWER - IN DAMASCUS AND  
ALEPPO. CALLING THE REST OF SYRIA - TO RALLY  
BEHIND THEM. WHICH IS HAPPENING - ACCORDING TO  
RADIO DAMASCUS. THE SYRIAN JUNTA - SAID TO BE  
IN COMPLETE CONTROL TONIGHT.

ONE PLACE WHERE THERE'S NO DISSATISFACTION -  
CAIRO. THE JUNTA IS PRO-NASSER - AND VOWS TO  
RESTORE THE OLD UNION WITH EGYPT. NASSER, *again*  
ACCUMULATING POWER - IN THE MIDDLE EAST. HE  
ALREADY HAS THE BACKING OF REVOLUTIONARY REGIMES - *in*  
*Iraq and Yemen.*

SOVIET

THE SHIFT AT THE MOSCOW AGRICULTURE  
DEPARTMENT - MEANS THAT KHRUSHCHEV HAS STILL  
NOT SOLVED HIS FARM PROBLEM. THE BOSS OF THE  
KREMLIN SENT KONSTANTINE PYSIN TO AMERICA -  
TO LEARN FARMING METHODS IN OUR MIDDLE WEST.  
PYSIN, AMONG OTHER THINGS, DENYS THAT THERE WAS  
A CRISIS IN SOVIET AGRICULTURE.. SAID HE COULD  
MAKE THE COMMUNIST SYSTEM WORK - WITH A FEW  
AMERICAN TECHNIQUES.

*Oh but*  
~~was~~ HE DIDN'T MAKE COMMUNISM WORK -  
DOWN ON THE SOVIET FARMS. TODAY, PYSIN WAS  
BOUNCED - AS MINISTER OF AGRICULTURE.

f9  
KHRUSHCHEV, STILL TRYING TO FIND SOMEONE -  
WHO CAN PRODUCE ENOUGH FOOD FOR THE SOVIET  
PEOPLE. *and* DO IT WITHIN THE NARROW FRAMEWORK OF -  
MARKISM-LENINISM.

## BRITAIN

BRITISH DIPLOMACY HAS SHIFTED FROM THE  
COMMON MARKET - TO THE FRIENDLY FIVE. PRIME  
MINISTER MACMILLAN, SHELVING THE NEGOTIATIONS -  
TO GET INTO THE CONTINENTAL UNION. AFRAID OF -  
ANOTHER FRENCH VETO. THE ALTERNATIVE - CLOSE  
TIES WITH ITALY, WEST GERMANY, BELGIUM, HOLLAND,  
AND LUXEMBOURG. THE FRIENDLY FIVE OF THE  
COMMON MARKET - WHO VOTED FOR BRITISH MEMBERSHIP.

## MISSILE

~~now~~; HOW WOULD YOU FEEL IF YOU WERE WORKING  
ON A ROCKET - AND IT SUDDENLY STARTED TO MOVE?  
THAT'S WHAT HAPPENED - AT THE AMERICAN BASE IN  
BAUMHOLDER, WEST GERMANY. ARMY ENGINEERS, TINKERING  
WITH A NIKE-AJAX - WHEN IT TOOK OFF FROM ITS  
LAUNCHING PAD. THE ROCKET MOTOR HAD IGNITED -  
ACCIDENTALLY.

20  
THE MISSILE, SOARING ABOUT SIXTY-FIVE FEET -  
BEFORE CRASHING INTO THE SAFETY EMBANKMENT. NO ONE  
HURT. BUT CAN YOU IMAGINE HOW THOSE ENGINEERS  
SCATTERED - WHEN THEIR ROCKET CAME TO LIFE.

TED KENNEDY

IN BURLINGTON, VERMONT, PHIL LAWSON SAYS, -

"I ACCEPT THE APOLOGY, BUT WHAT ABOUT MY BUSTED

CAMERA?" PHIL, THE PHOTOGRAPHER WHO SNAPPED A

*The Smugglers Notch Lodge*  
PICTURE OF TED KENNEDY AT STOWE, VERMONT. THE

PHOTOGRAPHER'S VERSION OF WHAT HAPPENED NEXT -

TED SEIZED THE CAMERA AND DAMAGED IT, WHILE

EXPOSING THE FILM.

TODAY, THE PRESIDENT'S BROTHER - EXPRESSED

HIS REGRET. "A SINCERE APOLOGY" - IN THE WORDS

OF HIS NOTE. JUST A MISUNDERSTANDING - SAYS THE

JUNIOR SENATOR FROM MASSACHUSETTS.

SAILORS

WHEN A COUPLE OF SAILORS GO A-W-O-L - THAT  
SOUNDS LIKE AN OLD STORY. BUT THERE'S A NOVEL  
TWIST ~~TO THE STORY~~ THIS TIME. SAILORS BILL SNELL  
OF DES PLAINES, ILLINOIS, AND MIL NEWSOM OF DENNISON,  
TEXAS ~~REWRITING THE SCRIPT.~~ GETTING AWAY WITH  
SOMETHING - THAT THE WHOLE U.S. FLEET NEVER GOT  
AWAY WITH BEFORE.

NAMELY, FIFTY MILLION DOLLARS IN TREASURY  
CHECKS.

BILL AND MIL, SERVING ABOARD THE TRANSPORT  
"RENVILLE" - IN SASEBO HARBOR, JAPAN. DECIDING TO  
ESCAPE FROM IT ALL. ESPECIALLY, FROM THE BOSUN'S  
MATE. SO THEY JUMPED SHIP IN SASEBO - AND MADE  
THEIR WAY BACK TO TEXAS. IN THEIR DUFFLE BAGS -  
FIFTY MILLION DOLLARS.

THE ONLY TROUBLE - THEY COULDN'T SPEND A  
NICKEL OF IT. AFTER ALL, YOU DON'T JUST DROP

SAILORS (2)

into the bank - and cash a million dollar check.

Instead of living the high life - and they expected to live rather high with their fifty million - sailors

Bill and Mil are headed for the Brig with all those

Treasury checks - on their way back to the U.S.

Treasury.

## CINERAMA

It all depends on your point of view -  
so often it does. Last night, here in Denver, I  
attended the Premier of a new Cinerama show. The title:  
"How the West Was Won".

Right in front of us, in his red blanket  
and a tall feather in his braided hair, sat an Indian,  
a fine looking Sionx, Chief Black Elk from South Dakota.  
Said the Chief, the title of this Cinerama epic  
should be: "How the West Was Lost" ! How! Dick!

WAGNER FOLLOWS STRIKE

THE END OF THE STRIKE IS BEING CALLED -  
QUITE A TRIUMPH FOR MAYOR WAGNER. HIS HONOR AT  
CITY HALL, ADOPTED A CAUTIOUS ATTITUDE - TO THE  
WALKOUT. NO HEAVY-HANDED INTERVENTION - AND NO  
PREMATURE CLAIMS. BUT HE KEPT PLUGGING AWAY,  
BEHIND THE SCENES - UNTIL HE CAME UP WITH A  
FORMULA FOR PEACE BETWEEN THE UNION AND THE  
PUBLISHER.

## CAPONE

They seem to have heard of Al Capone - way off in African Nyasaland. But they've got the story of Scarface Al - a trifle out of focus. Prime Minister Banda - closing the saloons. Declaring - "We don't want any Al Capones around here".

You can see - what's wrong. For as we know, Al Capone did become a big shot in Chicago - when they closed the saloons in The Windy City. Going out of business - when prohibition was repealed.

So, if they're going in for prohibition in East Africa - the Rum Runners may soon be operating. And even Nyasaland will have its Al Capone.
