

All the
members of
the household
I am sure will
be very
sorry
to hear of your
accident - but not
at all regretted. As
he only ~~see~~ ^{to} see
you to ^{oversee}
not to dig.

852 Fifth Avenue.

Mrs Burroughs got here before your
letter and told me of your acci-
dent. I am truly sorry and hope
it will not give you too much
distress. Be sure to have either
Peterson or Archie drive you
around. Do not walk too much

or take cold if you can help it.
Your accident is a mean one
but not as bad as it might have
been, there is always something
to be thankful for. At all events
Sister Laura has you tied up, and
at her mercy which Mrs Burroughs
tells ^{me} is very tender, so everything has
its recompense - Now, as regards
the batteries, Colonel Payne thinks
you should do as Mr Jam Bauer
suggests. Colonel thinks it is much

better to run an engine all the time.
And only use the batteries at night.
Have them overhauled as well as possible.
I am glad you got the hardware etc. etc.
cheap enough and yet pleasing. How soon
will the cottage ~~be~~ ^{be} finished,
no hurry so do not worry. The children
of any of the men who are there on Dec
25th must be allowed to come to the
party. You need not bother about putting
them on the list if the list is finished

but put the men on the list. There are
always a few extra things which
may be used for the children.
but nothing for the men.
But you must see to it that none
are disappointed on Christmas
day. If there is anything Robert can
do up there he may stay on indefinitely
if he has nowhere better to go. But he
must not be idle. I will be up some
time the first part of Dec. Write me
when you have time and full abli.
do not worry and get well as quick as
possible. Always with best wishes
faithfully yours
Emma C. Larson
