

DOMINICAN I.T. - Buick, Ticker, Fri. May 14 - '65

The Security Council of the United Nations

- today ordered a new cease-fire in the Dominican Republic.

Secretary General U. Thant - also ordered to get an on-the spot report on the Dominican situation - as soon as possible.

This the first actual U N action - in the

Dominican crisis. But it's the third cease-fire that has been ordered, since the start of the revolt - three weeks ago. Whether it's any better than the rest - we'll have to wait and see.

BOMB

Red China today triggered its second atomic bomb -- possibly dropping it from a Russian-built plane. The blast announced by ~~Red~~ Radio Peking. Development of the bomb - solely for "defensive purposes" - said the Chinese. To cope with what was called U. S. Nuclear blackmail. "

In this country - the nuclear blast described as "deeply regrettable" - but no surprise. It had ~~been~~ been predicted momentarily - since February. Anyway, Red China ^{-is} said to be five years or more - from ~~becoming~~ becoming a real nuclear threat. That is - capable of developing a delivery system - that could span the world.

Nevertheless, the psychological effect of the Chinese test - is undeniable. The non-Communist nations of Asia ^{are} already under the gun - so to speak. As for Viet Nam -- and there at least the explosion expected to have an immediate impact. [^] A shot-in-the-arm -- for Communist

North Viet Nam. Almost certain to stiffen Communist
resistance - toward talk of ~~a meaningful~~ peace.

And
~~Incidentally,~~ this footnote. Besides the five
nations that now have nuclear weapons -- there are said
to be at least ~~tweny~~ twenty-one others - that ~~could~~ could
produce the bomb, if they wanted to spend the money.

VIET NAM FOLLOW BOMB

As far
~~Meantime~~ ~~the war in~~ Viet Nam - *there the war* goes bloody

on. Communist guerrillas today ambushing two marine patrols, near the vital Da Nang Air Base. The Marines pinned down for four hours - before evacuated by Army helicopters. One Marine ~~kk~~ killed - seven wounded.

Communist losses - at least five dead - ~~max~~ maybe eleven more.

KENNEDY

An acre of England was dedicated forever today -
to the memory of the late President Kennedy. A green
hillside at Runnymede, ~~England~~ - the birthplace of western
freedom, ^{of the Magna Carta,} Queen Elizabeth and Prime Minister Harold
Wilson - joining in tribute to the slain President. The
emotion-packed ceremonies attended by Mrs. Kennedy -
and her two children. Also, the President's two brothers -
Senators Bobby and Ted ~~dy~~ Kennedy.

The monument to President Kennedy - inscribed
with these words from his inaugural address. "Let every
nation know that we shall pay any price - bear any burden -
support any friend or oppose any foe - to assure the
survival and success of liberty."

KIDS FOLLOW KENNEDY

Caroline and John-John Kennedy - still too young to understand the significance of the occasion. But at seven and five - they are growing up. A fact demonstrated once again a little earlier today - in an outing at Regent's Park in London.

It seems that John-John skinned his knee - and started to cry. Caroline - not sympathetic in the least. She called him a cry-baby. That hurt worse than his knee - so he started ~~to~~ at her - ready for a scrap. Fortunately, a nurse and a secret serviceman - were able to head off the bout.

In any case - little John John showed that he's fast becoming - the ~~manly~~ man of the family. He stopped crying.

GUARDS

From the British Colonial office -- this report today. A company of Coldstream Guards flown from Aden - in the Middle East - to the ^{island of} Mauritius ~~Islands~~ in the Indian Ocean. The guardsmen attempting to halt racial strife - that has already claimed two lives in the island colony, And now threatens to develop - into wholesale violence.

~~The~~ Mauritius ~~Islands~~ - about five hundred miles East of Madagascar. Colonized by the French - later taken by the English. The island now split between some two hundred thousand Creoles - descended from the original French settlers, And twice as many Hindus -- the descendants of indentured servants - Brought from India long ago - to work the great sugar estates.

The Creoles have the money - the Hindus have the vote. This double-standard assuming increased importance - with Mauritius soon to achieve its independence. Indeed, the latest riots - erupting in the midst of talks - on a new constitution.

FIND

A remarkable archaeological find -- reported today from the mountains of Peru. The ruins of a pre-historic city - found high in the ~~Andes~~ Andes -- about three hundred miles north of Lima.

The city - at the ten thousand foot level - on Mount Karpaico. Containing among other things - the remnants of stone houses - complete with utensils and cookware. Relics of an ancient civilization - pre-dating even that of the Incas.

Most remarkable of all. The expedition that found the city - led by Mother Imelda de Corazon de Jesus. Mother Imelda - a Roman Catholic Nun, ~~Who~~ who is even now searching for nine other cities - believed to have existed in the same general area.

ELK

The secrets of Elk-talk were disclosed today by Dr. Margaret Altmann of the University of Colorado; following three years of rugged research -- in the western wilderness.

Dr. Altmann reporting the Elk and Moose -- and other animals as well -- can transmit messages to each other -- and to other species too -- by the way they stand -- by the way they move -- even by their facial expression. Elk -- in particular -- said to have a wide range of signals. Indicating to other species -- including the human -- varying degrees of tolerance, friendliness anger and fear. That is -- except during the mating season; when an elk bugles and glares at you. Then -- says Dr. Altmann -- it means just one thing: Scram -- as fast as you can. And now before we scam, Dick.

DUNES

The Senate Parks sub-committee today unanimously approved legislation - to create an Indiana Dunes National Park. The Indiana Dunes on Lake Michigan - between Gary and Michigan City, ~~Indiana~~. Long-sought by Senator Paul Douglas of Illinois - and other Conservationists - as the site for a national park.

There's still the little matter of nearly a thousand acres of the proposed park, Scheduled to serve as the site for a new steel plant. But that will be decided by the full parks committee - at some future date.

ANNIVERSARY

Here's a prairie social note. Mr. and Mrs. Wilbur Mason of Lincoln, Nebraska -- today celebrating their seventieth wedding anniversary. That's right -- seventieth wedding anniversary -- and that's something. Here's to youthful Cora and Wilbur -- out in Lincoln, Nebraska.
