OSLO

Winner of this year's Nobel Peace Prize, announced today at Oslo: Andrei Dimitrievich Sakharov; first Russian ever so honored.

Sakharov known - as "The Father of the Soviet H Bomb;" then later an opponent of all nuclear testing, and more recently a leading spokesman for Soviet dissidents. The Nobel panel praising what it called his "fearless effort - in the cause of peace" which Western diplomats say is "an undisguised slap" at present Soviet leadership.
