

EISENHOWER

L.T. - Olds. Mon., June 27, 1960.

President Eisenhower's address to the nation tonight - will be a major ~~document~~<sup>event</sup> of his administration.

Mr. Eisenhower, to report on - his mission to the Far East.

The President, to balance - the pros and cons, <sup>and</sup> Explain why

he's not pessimistic - even though ~~he could not~~<sup>he was asked not to</sup> visit Japan.

President Eisenhower, ~~as we know is concerned~~<sup>apparently</sup>  
~~about that.~~ But he doesn't think ~~it's~~<sup>this</sup> fatal to our

security. He blames Japanese domestic policy - more than

anti-Americanism, ~~among the Japanese people.~~ And, of course,

the President is ~~very~~ very pleased about ~~those mammoth~~<sup>the his</sup>

receptions in the Philippines, Formosa and South Korea.

President Eisenhower, to describe the situation - as he sees it. You can hear a repeat of the presidential

address - over CBS, at eight thirty, ~~Washington~~<sup>local</sup> time.

wherever you are.

## DISARMAMENT

At the Geneva disarmament conference - shouts of "hoodlums!" "Hooligans!" The epithets, used by - French delegate Jules Moch. The French have a reputation for - silky diplomatic negotiations. But today's behavior by the

*Russian*  
Reds - was too much.

Poland's foreign minister, - in the chair, <sup>gave</sup> ~~sitting~~ the floor to - Russia's Zorin, who launched a savage attack on the West - and then walked out, Taking with him - all the Communist delegates.

France's Jules Moch - vainly asking for the floor. Then angrily calling the men from behind the Iron Curtain - hoodlums and hooligans.

What does the walkout mean? We'll know the answer to that question - when the White House publishes the contents of the letter that Khrushchev sent to President Eisenhower today.

JAPAN

Japan, to have a new Prime Minister - before July First. The Liberal-Democratic Party, promising to find - a replacement for Prime Minister Kishi - ~~HE~~ who was not ~~PRESENT~~ present at today's party caucus. Kishi, leaving the choice of his successor - to his colleagues, <sup>thus</sup> Hoping to save his party from the animosity - that is directed at him personally.

But, Tokyo leftists say - this doesn't satisfy them. The fanatical Zenga Kuren, vowing - to prevent any Liberal Democrat from becoming Prime Minister, ~~of Japan.~~

CHINA

Experts on Communism are trying to interpret - today's party line from Peking. The Chinese Reds - apparently supporting Khrushchev, Declaring for - peaceful co-existence with capitalism. Does Mao Tse Tung - ~~■~~ really mean it? Or is he just paying lip service - to the Kremlin

*with an* appeal for unity behind the Iron Curtain? *TP* *at the*  
*same time* Mao, still threatening <sup>s</sup>~~ing~~ war, ~~to conquer~~ <sup>over</sup> Formosa.  
*seems to be* Which ~~is~~ something *↑* Khrushchev doesn't want. So maybe the Chinese declaration - is just a tactical maneuver, ~~after~~  
~~■~~

One interesting point. The mouthpiece of the Chinese Reds is - Madame Soong Ching-Ling. Madame Soong, widow of ~~the~~ Sun Yat Sen - who led the Democratic rebellion against the old Manchu dynasty. Sun Yat Sen - a leading anti-Communist of his time. Now his widow is <sup>one of the top</sup> ~~parrotting the~~

~~Reds~~ *in* ~~party line~~ Peking. *And - she's a sister of*  
Madame Chiang Kai ~~Shek~~

## PRODUCTION

We have set a new record for production. That is the record was made in Nineteen Fifty Nine. A report from the Labor Department tells of goods and services - rising sharply last year; more than - four percent.

at the beginning of each session. A report, showing the expenses - of all committee members.

Suppose a committee member refuses to give his chairman - an itemized expense account? The us backers of the bill say - they haven't figured out the answer to that, one yet.

## EXPENSES

The House approves a bill - by which all members of Congress would have to file - itemized expense accounts. They'd have to do it after every trip - when Uncle Sam picks up the tab. Every committee chairman - to turn in a report at the beginning of each session. A report, showing the expenses - of all committee members.

Suppose a committee member refuses to give his chairman - an itemized expense account? The ■■ backers of the bill say - they haven't figured out the answer to that. ~~one yet.~~

## CONGO

The Belgian Congo selects its first President.

Joseph Vubu to head the new Congo Republic. Vubu - leader of the Abako Party. Vubu today said he would represent the whole Congo. He is calling for an end to tribalism. But that's a large order. Vubu today was shouted down by - a crowd of Baluba tribesmen, who screamed for - partition of the Congo. They are calling Vubu - a traitor. Charging that he, once a tribal leader, has now switched sides - in order to become President.

Observers are expecting tribal violence in the Congo.

CUBA

~~Tonight there's~~ Still no ~~expl~~ explanation of that explosion - in Havana harbor. An ammunition depot - erupting, Jolting - the whole area. Killing two - injuring over two hundred.

The ammunition depot - now cordoned off. Castro's police - combing the wreckage for clues. Havana is saying - "Sabotage!" Wild charges against - the United States. But no ~~expl~~ explanation of how saboteurs could have slipped into a top secret area - closely guarded by the Cuban army.

Meanwhile, Castro is running into - more opposition at ~~his~~ home. The professors at Havana University - threatening mass resignation. Claiming - Castro has been interfering - with the way they run their classes.

## TYPHOON

Tonight in the Philippines they are digging out  
after typhoon "Olive". Winds - raging at a-hundred-and-  
forty miles an hour with driving torrential rain.

Typhoon Olive - sinking ships - smashing buildings -  
flooding cities; including - Manila; piling up debris -  
across the island; and then roaring on across the China  
Sea.

The toll so far - around two hundred dead or  
missing. Hundreds - injured; thousands - homeless;  
damage - running into the millions.

ZUNIS

A dispatch from the Grand Canyon describes the Zuni Indians - fighting on Saddle Mountain. <sup>Battling a</sup> ~~Fighting a~~ forest fire. The ~~big~~ blaze <sup>is</sup> racing through the pine forest on Saddle Mountain, <sup>with</sup> The Indians, <sup>trying to</sup> ~~pitching in - to help~~ stop it.

Eight thousand acres of timber - going up in smoke. A thousand men - struggling to get the forest fire under control. <sup>Among them</sup> ~~including~~ the oldest inhabitants - of the Grand Canyon area, The Zuni Indians.

## GOLF

Now here's a good question - and the answer might surprise you. The question - how long does it take to get from Murfreesboro - to Smyrna, Tennessee? The answer - two-hundred-and-seventy-five strokes.

That's the time of - golfers Bob Richardson and Mason Tucker. They teed off at Murfreesboro - on highway Thirty-One. Then took turns driving golf balls - in the direction of Smyrna. Richardson, carding a-hundred-and-thirty-eight strokes. Tucker - one-thirty-seven. They lost - forty-five golf balls. <sup>and were on the way for</sup> ~~They took~~ eight hours. But they finally drove the last ball -- into Smyrna.

So if you happen to be travelling in Tennessee - you'll know the <sup>distance</sup> ~~difference~~ between Murfreesboro and Smyrna.

~~It's~~ two-hundred-and-seventy-five strokes.

All this nonsense while Sam Snead and Arnold Palmer, over in Ireland - as a team, were winning the so-called championship of the world - even tho' Snead did blow up on that final round, ~~with~~ Bern Bennett.

COMMUNIST

The name "Harry Pollitt" - probably doesn't mean  
<sup>a</sup> anything to you. <sup>It didn't to me.</sup> But, in Britain, they<sup>a</sup>'re saying - the  
Communist party will never be the same - now that Harry  
Pollitt is dead. Pollitt - a founding father of the British  
Communist party. Britain's top Red - for the past thirty  
years. Campaigning for - Communist members of Parliament.  
Leader of the move to get Reds into key positions - in the  
British trade unions. A good friend of Stalin. <sup>But he did</sup>  
~~who~~  
accepted Khrushchev's ~~policy of~~ de-Stalinization. Harry  
Pollitt - who inspired the comic song "Harry was a Bolshie."

~~But~~ The British Communist party began to dwindle -  
especially after the rebellion in Hungary. The old guard -  
dying off; Leaving only - Harry Pollitt, Whose death today  
removes a familiar - and somewhat ridiculous figure - from  
British politics.
