## The Heritage Era of Marist College

Welcome... The following digital history of Marist College is presented to show the long heritage and the strong bond that exists between Marist College and the Marist Brothers.

Bech  
Homestead

This bond, which was initially forged in 1905, continues to the present day. The Marist Brothers not only physically constructed many of the buildings on the campus, they also imbued the college with their intellectual principles and religious values. The central position of Our Lady Seat of Wisdom Chapel and the statues of their founder, Saint Marcellin Champagnat, throughout the college grounds, are evidence of this spirituality.

The Marist Brothers, Marists All community and Marist College are the embodiment of the vision of Saint Marcellin Champagnat to have a strong educational foundation based on firm Catholic beliefs and a strong devotion to the Blessed Virgin Mary.

Marist College carries on the Marist Brothers' legacy of touching the minds of young students, inspiring them and giving their lives meaning. A prayer sums up that mission; "Come into this place of peace and let its silence heal your spirit. Come into this place of memory and let its history warm your soul. Come into this place of prophesy and power and let its vision change your heart."

**From the beginning, Marist Heritage has been a collaborative effort.**

We appreciate the contributions of the Marist Brothers and the Marists All community, who by supplying information and personal memories, have given vitality, scope and depth to this project

Under the guidance and direction of Dr. Brian Henry Desilets, the initial web pages were designed and created by the following Marist College students: Michele van Brero (Hermitage, St. Peter's, Kieran Gate House, Greystone, Marist Brothers Builders, Our Lady Seat of Wisdom Chapel).....Tage Haun (Bech Homestead, Marian, Donnelly).....Fang Fang Xu (Boat House, Byrne House, Kirk House).....Courtney Gutt (Bech Family History).....Vij lyer (Cemetery).....Rahkee Chopra (Fontaine Hall).

All the final Marist Heritage web pages were either created, revised, rewritten and/or reshaped by John Patrick Noone, who is solely responsible for any errors contained therein.

We thank Richard Branigan for proofreading the Marist Heritage web pages.

We recognize the contributions of our consultants: John Ansley for his input on the format and contents of the various web pages. Also Victor VanCarpels for his frequent consultations and guidance in the graphics included in this CD. His patience and dedication while working with us made the overall results more professional.

We are grateful to Barbara McMullen for the use of the Ecommerce facility at Marist College.

We are indebted to the McCann Foundation which provided the funds necessary to make this project a reality.
