

DETROIT

Wed. Aug. 13-75.

U S new car sales ~~were~~ again down in
early August - ^{down} from twenty to thirty-four percent,
~~according to figures released today. And the latest~~
General Motors ^{also} saying it plans to ~~put~~ limit price
increases ^{to about \$200 a car} on its seventy-six models. ~~to an average~~
~~of just over two hundred bucks a car.~~ This in
spite of cost increases ~~said to have~~ ^{ing} totalled nearly
~~twice~~ twice as much. G M' Chairman Tom Murphy
saying a price boost ^{for} ~~of~~ the full amount [^] would only
"tend to dampen returning demand."

MIDDLE EAST

A new interim agreement in the Middle East
- so near and yet so far. Egypt's President Sadat
and Israel's Prime Minister Rabin - indicated ^{ed}~~ed~~ today ^{that}
a new accord may be near. ~~But~~ Others - in Cairo,
Jerusalem and Washington ^{seem sceptical} ~~saying "additional clarifications~~
~~are still needed."~~

LISBON

Portugal's Leftist Military Security Chief

General DeCarvalho ^{is} ~~met today with a hundred~~

~~key army commanders in Lisbon. The General~~

blaming Portugal's political parties - both right

and left - for growing opposition to military rule -

~~therefore~~ ^{and} urging ~~the~~ creation of a radical populist

movement - to help forge a continuation of what

he called the current "revolution."

~~Meanwhile rioting continued with~~
~~But while all this was going on - additional~~

~~riots today in the North of Portugal; and now and~~

anti-Communist mobs ~~now said to have~~ wrecked ^{edg}

leftist headquarters in more than fifty cities and

towns. ~~That "radical populist movement" the General~~

~~was talking about - could this be it?~~

WALTER REED

One of America's ~~great~~ heroes of World War

Two passed away ~~today~~ at Walter Reed Army Hospital.

You will recall was
General William McAuliffe λ the U S commander at
Bastogne when it was threatened by overwhelming

German forces during the Battle of the Bulge. The

Germans demanding his surrender. *To which*, McAuliffe repl~~yed~~^y

~~in a word~~ "nuts." And Bastogne held with the Germans

later routed, *with* ~~and~~ the collapse of the Third Reich only

four months later.

General McAuliffe, ~~was~~ a victim of leukemia,

at age
~~He was~~ seventy-seven.

ANGELES

An all-out aerial assault was launched today - against a fire raging unchecked through the Angeles National Forest in California. Twice in the past five days - the blaze was thought to have ^{been} brought under control only to spread to new areas. Officials deciding on an aerial ~~contingent~~ attack when the fire began to threaten key power lines running from Hoover Dam into Los Angeles.

LOWER SAXONY FOLLOW ~~LOS~~ ANGELES

A huge forest and brush fire ~~was~~^{is} also
burning out of control ~~today~~ in Lower Saxony, ~~in~~ West
Germany; ~~The blaze there devastating more than~~ ^{sweeping over an area of some}
thirty square miles, ~~of land. Also, forcing the~~
~~evacuation of~~ thousands to flee.

NEW DELHI

From India's Madame Gandhi a denial today that she and her government - are attempting to impose one party rule. This in an interview - in the official publication of ~~the~~ her own Congress Party. The Lady Premier also accusing Western Press, Radio and TV of carrying "the most slanderous and malicious" ~~stories~~ ^{accounts of} ~~stories about~~ recent events in India.

MADRID

The so called Japanese Red Army has carried out terrorist attacks in the past few years - in Japan, in Europe, in the Middle East and, most recently, in Malaysia. Now comes a report that Japanese Red Army terrorists - have somehow slipped into Spain, ^{where} officials saying they may be planning "to commit ^{some} monstrous, ^{hoping to} ~~act to typical of them~~ ~~do it~~ ~~in hopes of~~ ~~freeing~~ Basque radicals now in Spanish jails."

GOLAN HEIGHTS

Love will find a way - ^{we have been told;} ~~so the saying goes,~~
and this next * from the Golan ~~to~~ Heights ^{in a way} ~~perhaps~~
^{is an} ~~a perfect~~ illustration. The man in the case - Captain
Joseph Steinmann; a dashing young Austrian - serving
with U N peace keeping forces. The girl - Jeannette
Faraj of Jerusalem - a nineteen year old Israeli
Army private. They met and fell in love; and somehow
managed to slip away to a U N camp - in a virtual
no-man's land between opposing Syrian and Israeli
lines.

Ah, but when they returned two days later -
the M P's were waiting. ^{Whereupon} Captain Steinmann ^{was} ~~immediately~~
immediately shipped back to Austria, And Miss
Faraj, ^{she faces} ~~currently facing~~ a court martial for travelling
in a U N vehicle, [^] crossing illegally into enemy
~~territory~~ territory, and consorting with a U N officer
without permission; ^{So-} ~~as~~ Once again - it's the woman
who ~~really~~ pays." ^{And now this -}

ENERGY

A new plan for ~~meeting~~ the nation's future energy needs ^{is suggested} ~~was unveiled today~~ by the nation's newest energy agency. The energy research and development administration - calling for a partnership between government and industry ^{to} ~~is developing mainly~~ solar energy, ~~as a substitute for oil~~. Spokesman Donald ~~Be~~ Beattie saying the sun could well supply one fourth of the nation's energy needs ^{to do it} within ^{a few} ~~forty five~~ years.
