

JOHNSON

When Lyndon Johnson met Lester Pearson, the two paused for a tribute to their predecessors. The American President and the Canadian Prime Minister, invoking the memories of Franklin Roosevelt and Mackenzie King, who, twenty-one years ago, set a new pattern for cooperation between the two countries cooperation aimed at strengthening the peace and prosperity of the hemisphere.

As Lyndon Johnson said in Great Falls, Montana, "We have followed the same path of partnership." Then he boarded the Prime Minister's plane -- for a flight to Vancouver for joint ceremonies concerning -- international exploitation of the Columbia River. A power complex -- that will produce electricity for both Canada and the United States.

After that, the President and the Prime Minister on to Blaine, Washington, for more

*formalities -- at the International Peace Arch. Then
their farewells to one another, with Prime Minister
Pearson -- heading back for Ottawa. President
Johnson -- on to Seattle.*

IN THE CORN BELT, THE REPUBLICAN CANDIDATE FOR
VICE PRESIDENT IS TALKING ABOUT -- CORN. WILLIAM
MILLER, RAISING THE ~~REPUBLICAN~~ PROBLEMS
THAT HAVE SPECIAL MEANING -- THROUGHOUT THE MIDWEST,
AND SUGGESTING THAT THE G.O.P. OFFERS BETTER ANSWERS --
THAN THE DEMOCRATS, WHO, ACCORDING TO ^{Bill} MILLER, HAVE
TRIED TO DIRECT AGRICULTURE FROM WASHINGTON THROUGH,
IN HIS WORDS, "CONFUSED AND INEPT AGRICULTURAL CZARS."

TURNING TO HIS OPPOSITE NUMBER IN THE CAMPAIGN,
MILLER HANGEROED AWAY AT ^{the} HUBERT HUMPHREY'S RECORD
WITH THE AMERICANS FOR DEMOCRATIC ACTION.

SENATOR THURMOND'S CHANGE OF POLITICAL ALLEGIANCE IS HAVING THE OBVIOUS REACTION. BARRY GOLDWATER, WELCOMING THE SOUTH CAROLINIAN -- TO THE REPUBLICAN PARTY. THE G.O.P. STANDARD BEARER COMMENTING, "HE HAS HAD ENOUGH". THE DEMOCRATS, NOT QUITE SO PLEASED -- ABOUT LOSING A POWERFUL FIGURE IN SOUTHERN POLITICS. BUT BEING PHILOSOPHIC ABOUT IT. ECHOING THE COMMENT OF HUMBERT HUMPERY, *that* "EVERY AMERICAN HAS A RIGHT OF FREE CHOICE."

JUST WHERE DOES SENATOR THURMOND STAND TONIGHT?
HE DESCRIBES HIMSELF AS -- "A GOLDWATER REPUBLICAN."

BRITAIN

THE WEATHER IS GOOD -- IN BRITAIN, AND, ~~THEREFORE~~
A ~~HE~~ LOT OF BRITISHERS -- ARE UNHAPPY. PARADOX? NOT
AT ALL. POLITICAL OBSERVERS ARE POINTING OUT --
HOW OFTEN THE WEATHER EFFECTS ELECTIONS. CLEAR SKIES,
AND LOTS OF SUN -- HELP THE PARTY IN POWER. CONVERSELY,
FOG AND DRIZZLE GENERALLY INDICATE -- A CHANGE OF
GOVERNMENT. THE VOTERS REGISTERING THEIR GRIPES --
AT THE POLLS..

In ~~there will be a~~ EXACTLY ONE MONTH ~~there will be a~~
GENERAL ELECTION. THE FORECAST IS -- BALMY TEMPERATURES
UNTIL THEN. WHICH DELIGHTS THE TORIES, BUT, NOT THE
OPPOSITION. THE LABORITES WOULD PREFER TO BE CHILLED
TO THE BONE. WITH LONDON ENVELOPED IN -- A PEA SOUP FOG.
~~AND PERHAPS A FLOOD OR TWO IN THE PROVINCES.~~

VIETNAM

The latest attempted military coup in South Vietnam was liquidated when Colonel Ton of the Seventh Division, surrendered, and was flown to Saigon by helicopter. The last important leader of the recent abortive attempt to oust General Khanh who was backed by -- the "young turks" of the vietnamese army. Their officers refused to go along with -- the anti-Khanh conspiracy.

Here's an interesting twist. We've been hearing about -- the Buddhists and Catholics in South Vietnam. But the Vietnamese "Young Turks" are Confucians. Followers of the Chinese sage, who was one of humanity's greatest moral teachers. Confucius.

KREMLIN

Nikita Khrushchev appeared at a youth rally in the Kremlin -- today. And when the pictures were presented over Soviet television, they were censored-- because they showed the unusual spectacle of the Soviet Boss -- not being applauded.

The Camera, panning over the audience, had picked up the delegation from Red China. An unsmiling uncheering, unapplauding delegation, revealing their anti-Khrushchev animus with the scowls on their faces.

Mao's representatives -- don't seem to care much for this Kremlin rally and are ignoring the speakers -- in favor of a campaign to win friends and influence people. That is, win delegates -- away from the Moscow ideology, and line them up -- with Peking.

A SOVIET EXPERT ON ASIA IS SAYING -- WHAT MOSCOW OUGHT TO HAVE SAID MORE THAN A DECADE AGO.

WHEN THE ARMIES OF RED CHINA ROLLED OVER TIBET IN NINETEEN FORTY NINE AND THE EARLY FIFTIES -- THE RUSSIANS JEERED ~~AND~~ AT REPORTS THAT THE INVADERS WERE COMMITTING ATROCITIES. THOSE OF US WHO KNEW THE TRUTH DID WHAT WE COULD -- TO DESCRIBE THE ACTUAL CONDITIONS UP ON THE ROOF OF THE WORLD. AND MOSCOW, KEPT SCOPPING AT US.

now that
BUT KHRUSHCHEV HAS FALLEN OUT ~~IN~~ WITH HIS ERSTWHILE CONRADES IN PEKING, HE'S BEGINNING TO TELL THE SOVIET PEOPLE SOME FACTS -- ABOUT MAO TSE TUNG, AND TODAY THEY LEARNED THAT MAO IS SUBJECTING -- THE TIBETANS TO -- "INTOLERABLE PRACTICES." THE MOSCOW EXPERT ADDED, "THOUSANDS OF TIBETANS ARE PEKING TO INDIA."

QUITE TRUE. BUT WHY DIDN'T KHRUSHCHEV SAY IT -- TEN YEARS AGO?

WRECKAGE

THE WRECKAGE THAT HAS JUST BEEN DISCOVERED IN
THE MEDITERRANEAN OFF LA SPEZIA, ITALY, IS NOT
CLASSICAL. IT DATES BACK LESS THAN A GENERATION.

IF YOU'RE OLD ENOUGH TO REMEMBER WORLD WAR TWO
THE NAME "LA SPEZIA" WILL TELL YOU THE STORY. THE
ITALIAN CITY WAS A CENTER OF FIGHTING -- BY LAND,
SEA AND AIR. MANY A PLANE, MANY A SHIP -- NEVER
RETURNED FROM LA SPEZIA.

SOME OF BOTH HAVE NOW BEEN SIGHTED BY A PARTY
OF ITALIAN SKIN DIVERS, WHO WERE LOOKING FOR SWORDFISH.
THEY SAY THAT THE WRECKAGE INCLUDES -- TWO AMERICAN
FLYING PORTRESSES. ~~SOME~~ A CARGO SHIP -- AND, A

SUBMARINE. ALL ~~WRECKAGE~~ CLOSE TOGETHER, AT THE BOTTOM
OF THE MEDITERRANEAN, ^{where} ~~AND~~ THEY HAVE BEEN ~~DISCOVERED~~ ^{for nearly 20 yrs.}

~~NOT BY THESE MEN, DURING WORLD WAR TWO~~

ONE PIECE OF JEWELRY ON DISPLAY IN TALLAHASSEE,
FLORIDA IS A GOLD CHAIN. WITH A PIECE OF CORAL AT
ONE END. ~~RECENTLY DISCOVERED~~ GOLD AND CORAL, ~~WAS~~
with A STORY BEHIND THIS CHAIN. IT WAS ABOARD A
SPANISH GALLEON THAT SANK OFF THE COAST OF FLORIDA --
IN THE YEAR SEVENTEEN-FOUR. PLUCKED FROM THE ATLANTIC
RECENTLY DURING A SALVAGE OPERATION CONDUCTED BY THE
STATE GOVERNMENT. WHICH MEANS THAT THE GOLD CHAIN WAS
IN THE WATER -- FOR TWO HUNDRED AND *sixty* YEARS. LONG
ENOUGH FOR THE CORAL TO FORM AROUND IT -- BY THE SAME
PROCESS THAT CREATES CORAL REEFS.

THE REST OF THE SALVAGE INCLUDES -- GOLD INGOTS
WEIGHING NINE POUNDS EACH. *also* SHIP'S ARMAMENT, LIKE
- Dick, MUSKETS AND CANNONS, RELICS OF THE DAYS WHEN THE
TREASURE FLEETS FROM THE NEW WORLD SAILED THE SPANISH
MAIN.

HIMALAYAS

Those five Australians climbing on Langtang Lirung -- have reached the eighteen thousand foot level, but still have another five thousand feet more to go. Those figures are the clue. Place -- the Himalayas. Langtang Lirung -- almost a midget in that mightiest mountain range on our planet. Only twenty-three thousand feet high, with Everest near thirty thousand. But Langtang Lirung in the Lesser Himalayas of Nepal, has one thing over Everest. Still a virgin -- never been climbed. The Aussies -- including two gals, incidentally -- are determined to be first. Katmandu reports that tonight they are within a mile of the summit.

In the Himalayas, a mile in the perpendicular from the top of a peak can still be a long way in that cold thin air.
