

### **About the Marist Environmental History Project**

The Marist Environmental History Project (MEHP) is dedicated to identifying historically significant materials concerning the [\*Scenic Hudson Decision\*](#), promoting access to these materials for use by researchers, and most importantly preserving these materials.

In October of 2005 the Marist College Archives and Special Collections received the Debra E. Bernhardt Annual Archives Award for developing the MEHP. This project is a continuation of the work that Marist has been concerned with for the past five years. During this time the Marist College Archives and Special Collections has been awarded several grants to preserve and make accessible the many significant environmental collections held by the College. These important collections, combined with the efforts of Marist College to process and maintain them, have brought an increased awareness to issues that threaten our environment.

This World Wide Web site represents the next stage in the MEHP. We are now actively identifying all organizations and individuals that hold significant materials concerning the *Scenic Hudson Decision*, and we will continue to add to

our findings to this site. If you are aware of any additional sources concerning the *Scenic Hudson Decision* that you think should be made available on the Web please [contact us](#).

**From the beginning, Marist Heritage has been a collaborative effort.**

We appreciate the contributions of the Marist Brothers and the Marists All community, who by supplying information and personal memories, have given vitality, scope and depth to this project

Under the guidance and direction of Dr. Brian Henry Desilets, the initial web pages were designed and created by the following Marist College students: Michele van Brero (Hermitage, St. Peter's, Kieran Gate House, Greystone, Marist Brothers Builders, Our Lady Seat of Wisdom Chapel).....Tage Haun (Bech Homestead, Marian, Donnelly).....Fang Fang Xu (Boat House, Byrne House, Kirk House).....Courtney Gutt (Bech Family History).....Vij lyer (Cemetery).....Rahkee Chopra (Fontaine Hall).

All the final Marist Heritage web pages were either created, revised, rewritten and/or reshaped by John Patrick Noone, who is solely responsible for any errors contained therein.

We thank Richard Branigan for proofreading the Marist Heritage web pages.

We recognize the contributions of our consultants: John Ansley for his input on the format and contents of the various web pages. Also Victor VanCarpels for his frequent consultations and guidance in the graphics included in this CD. His patience and dedication while working with us made the overall results more professional.

We are grateful to Barbara McMullen for the use of the Ecommerce facility at Marist College.

We are indebted to the McCann Foundation which provided the funds necessary to make this project a reality.
