

CAMP PENDLETON

Wed. May 21<sup>st</sup> '75.

*For the First Lady, Betty Ford - a trip today to Camp Pendleton in California; where she visited so-called "little Saigon" - and met with some of the eighteen thousand war refugees who make up its population.*

*Mrs. Ford later making a brief speech - telling the refugees: "My husband and I have suffered with you - and all you have gone through." Adding: "Perhaps you will find it difficult to adjust at first - but with diligence you will succeed." Also ~~telling~~ telling the South Vietnamese and Cambodians!" "We will be ~~pride~~ proud to have you as citizens of the United States."*

**BEIRUT**

*In the Middle East - another series of clashes today - between ~~the~~ guerrillas and right wing Lebanese phalangists; ~~this~~ this leading to an official warning - from the headquarters of the Palestine liberation organization in Beirut.*

*The PLO saying it will not be pushed out of Lebanon - the way it was pushed out of Jordan. Adding that the Phalangists, by trying "to remove the Palestinian presence - are risking the entire destiny of Lebanon."*

WEST BERLIN

For Secretary of State Kissinger - a brief visit today to West Berlin ; where he assured the local population and West Germany in general <sup>that</sup> <sub>λ</sub> "the security of West Berlin remains a vital interest of the U S."

Dr. Kissinger also calling West Berlin - the key to detenté. "As Berlin was the greatest symbol of the heroism of the immediate post-war period," said he -- "it is also the acid test of the period we now hope to enter."

**ADD WEST BERLIN**

**Dr. Kissinger then flying to Ankara -**

**where he launched a new drive to settle the Greek-**  
*hopefully*

**Turkish conflict over Cyprus.**

MOYNIHAN

The new U S Ambassador to the United Nations -  
Patrick  
Harvard Professor Daniel Moynihan; by appointment  
today from the White House.

Moynihan a colorful and controversial figure  
-- in the last three administrations, ~~Most~~ recently,  
ambassador to India. - ~~one of the third world nations~~  
~~that now dominate the U N.~~ <sup>He takes</sup> Taking over for John  
Scali - who held the U N ~~amb~~ <sup>for</sup> post the past two years.

**TEHERAN**

*Those two U S Air Force officers slain in  
Teheran - apparently the victims of an assassination  
plot by leftist terrorists. The ~~Shah~~ Shah of Iran  
pledging tonight to spare no effort - in bringing their  
murderers to justice.*

## WEATHER

Here in the East - the first major heat wave of the season - was sending temperatures into the nineties, ~~today~~ while out West - a ~~cool~~ May blizzard; ~~dumping~~ dumping up to a foot and a half of snow on parts of Utah, Wyoming and ~~also~~ Arizona. ~~In the~~ process closing ~~a major interstate~~ highways - <sup>and</sup> stranding thousands of ~~tax~~ travellers; <sup>also</sup> ~~and~~ threatening ~~livestock~~ livestock throughout the area.

## CAPITOL HILL

*Capitol Hill - a claim today that President Ford has "done his share" - but Congress has failed miserably in dealing with the energy crisis. And this - believe it or not - from Senate Majority leader Mike Mansfield. The trouble with Congress - he went on - the fact that it has been "going off in too many directions" - due mainly to a "feeling of complacency on the part of Congress - and the American ~~public~~ public." Mansfield further telling his colleagues "if there is any blame to be attached - it's ours."*

## **RULE**

*From the Federal Trade Commission - a ~~proposal~~ proposal today for a new rule dealing with endorsement advertising. The F T C claiming that stars who endorse certain products - should really use those products.*

*There will be exceptions though. The F T C noting that New York Jets quarterback Joe Nameth for example will not be required to wear panty hose. Why not? Because the Nameth ad is "fanciful" - they say - clearly for laughs.*

CONOVER

~~This next from Conover, Wisconsin - the~~  
~~story of a firm with a novel product.~~ ( Franksville  
Specialty Specialty products <sup>is</sup> turning out - ~~well,~~  
~~you'd~~ <sup>would</sup> you'd call it - a bovine bra; <sup>and</sup> selling ~~about~~  
five thousand a year <sup>in</sup> to dairy farmers ~~all over~~  
the U S and ~~Canada.~~ <sup>Company</sup> ~~Franksville~~ President  
Dorothy Rice saying <sup>s</sup> her bovine bra keep <sup>s</sup> the cows  
more comfortable, ~~and thereby leads to greater~~  
~~production. It also~~ cuts down on injuries - <sup>and maybe</sup>  
<sup>we should call</sup> ~~told~~ ~~it,~~ <sup>but</sup> that's an ~~old~~ udder story.
