## OUR HYMN TO MARY

Ever, forever, we will praise our Mother,  
Who in her love, bids us come to her shrine;  
Ever, forever, Mother, highly blessed,  
List to our praise which sings thy name sublime;  
Waking at morn, we'll call to thee, our Mother,  
Thy name shall lead our spirit all the day,  
And when Night's Angel soft shall close our eyelids,  
E'en then, our homage to thee, we will pay.

Ever, forever, this our glory shall be,  
To lead a life that is hid and unknown;  
Ever, forever, we will honor Mary,  
Should we be scorned, as Jesus was before us,  
Lowly and meek, abiding in His love,  
May we for Him and for our tender Mother,  
Spurn pride and seek only things from above.

To Our Lady, Queen of Marists,  
we consecrate ourselves and entrust to Her  
the work that lies ahead of us. May we  
ever remain faithful in Her service.

## LAST WILL AND TESTAMENT

---

I bequeath my keys, igloo and tools (broken or otherwise) to Bro. Raymond. B.A.V.

I leave to Bro. Reginald Theodore my position as carpenter and the shop that goes with it. Good luck. B.C.F.

I hereby leave the truck and all the squeaks and pains thereof to whoever wants them. B.D.O.

With foggy brain and light heart, I do, willingly and firmly hand over my sole right and privilege to sleep or doze in no particular position, during any and all periods, to a fellow cloudy-headed individual, Bro. Christopher. B.G.A.

I hereby with light heart and light head wish to bequeath to Bro. Raymond my practice of eating at all times with full permission; to visit all orchards, all kitchens, all supply rooms, etc. B.D.G.

I, being in good health and of sound mind, do bequeath to Bro. Paul M. the sole right of making use of puns. B.F.R.

I bequeath to Bro. Patrick E. the sole right to hail Bro. Bernard with the "Godspeed" salute. B.H.E.

I bequeath a rock garden to anyone who can find it. B.J.A.

I sign over the title of "DEAN" to Bro. Rudolph. B.J.T.

I bequeath my position as Official Tailor for the Scholastics to whomsoever may feel drawn by obedience or attraction to the noble work of mending and improving the habits of his Brothers. B.J.M.

To all the under-graduates of Greystone, I wish wholeheartedly a more full expansion of soul and body through the corporate action of grace and milk. B.L.T.

I leave to Bro. George the honor of taking the 'rap' everytime a fuse blows. B.M.L.

I, with full knowledge and complete consent, place in the hands of Bro. Edmund all the paint cans, brushes, turpentine and all the other adjuncts of the place. B.P.E.

I leave to Bro. Raymond the sole right to weed in the garden. B.P.E.

To Bro Bernard Frederick I bequeath all the weeds that will have grown on the project and to Bro. Paul Martin I leave the privilege of disturbing the brethren's sleep by shouting the "Laudetur." B.P.B.

I, of sound mind and in full possession of my senses, bequeath to Bro. Patrick one weather-beaten, sun-baked, and untenanted, sixteen-room bird house. May you be worthy of this great trust. The heating system is in questionable order and the roof needs overhauling. I advise you to mulch it properly this fall to tide it over the winter. B.T.A.

I hereby bestow to Bro. Patrick for the whole year, the sweeping, mopping, dusting of the three floors (and please don't forget the bathroom) of the Greystone Library building. With pleasure— B.U.C.

I do hereby bequeath to my budding successor, Bro. Bernard, the greenhouse with all its accoutrements and oderiferous substances, together with the task of beautifying the Scholasticate with honeysuckle. Bro. George, the absolute and only privilege of making explosions. To Bro. Edmund, I give the honor of continuing my "new type" Palmer method. To Bro. Raymond I graciously relinquish my last set of French notes, knowing that the he will make good use of them. I also grant to Bro. Paul my sports ability, which has been so painstakingly acquired. And as a final proof of my affection, I bequeath to all First Year men the privilege of teasing the new Freshmen. B.U.D.

I do leave to Bro. Christopher my key to the second bungalow. Your great responsibility may not last very long though! I also leave to Bro Frederick the photography room with all its darkroom secrets. .. B.X.A.
