

# Singapore

Singapore is still outstanding because of its well-set-up Marist Stella School with its exceptional and popular kindergarten at Flower Road, which is also a retreat house for the elderly Marist. We continue to wait for the right moment to be able to get back to the mainland. And for the time being I would guess that our strategy is to Return, Restart and Rebuild. Singapore is also the seat of a General and Administrative Bishop for all of the Chinese outside of the mainland China.
