

L.T. OLDS-FISHER FRIDAY, JULY 26 1963

Good Evening Everybody:

The death toll in the Yugoslav Earthquake - may go as high as five thousand. The quake that shook Skopje, a city of two hundred thousand people, where even massive buildings collapsed. One, the Macedonia Hotel - with eighty rooms and three hundred guests. The Hotel went down in a heap of smoking rubble. No survivors.

Especially poignant - as always, in tragedies like this - the hospitals. The able bodied, leaping out of windows - as the buildings began to shake. The bed ridden trapped where they lay. The corridors - a mass of milling screaming patients. The dispatch tells of many thousands of injured or homeless with the death toll - mounting by the hour. Tonight rescue workers are digging frantically in the ruins, and aid is being rushed from abroad. The U.S. Airforce putting

LEAD - 2

Globe Masters on an around-the-clock schedule. Flying food, clothing, and medicine - to the stricken city in Yugoslavia.

Only yesterday, Gromyko, Malenkov and Khrushchev - initiated the nuclear test ban accord. Tonight, President Kennedy - will tell us about it.

The President's motive in speaking so soon, I hear, is that he wants to keep the document in perspective, prevent the American people from being carried away by the idea that the millennium has arrived. On the other hand, he is reported to be much pleased about the agreement, and will have something to say to critics who still fear that no treaty with the Russians is likely to be worth anything.

In other words, President Kennedy is sure to strike a note of "cautious optimism" when he speaks to the nation over radio and T.V. in just a few minutes. So stay tuned to this station for that.

KENNEDY

The President is losing no time in going on the air to explain the International Agreement. So soon after the negotiation. Only yesterday, Gromyko, Hailsham and Harriman - initialed the nuclear test ban accord. Tonight, President Kennedy - will tell us about it.

The President's motive in speaking so soon, we hear, is that he wants to keep the document in perspective, prevent the American people from being carried away by the idea that the Millennium has arrived. NUCLEAR

AVERILL HARRIMAN TERMS THE MOSCOW NEGOTIATIONS -

"THE MOST CORDIAL, MOST BUSINESSLIKE, THAT I HAVE EVER  
HELD WITH THE SOVIETS." *This is interesting* ~~AN IMPRESSIVE STATEMENT~~ BECAUSE

HARRIMAN HAS BEEN NEGOTIATING WITH THEM - ~~OR TRYING TO~~ -  
EVER SINCE THE SECOND WORLD WAR, <sup>—</sup> THE DAYS - OF STALIN.

AS FAR AS THE AMERICAN SPOKESMAN CAN TELL \* KHRUSHCHEV  
REALLY MEANS IT THIS TIME.

*In fact*  
~~KHRUSHCHEV~~ THE BOSS OF THE KREMLIN *is*

PROPOSING A FURTHER ADVANCE - IN THE RELATIONS BETWEEN  
EAST AND WEST. THE NUCLEAR TEST BAN TREATY, TO BE USED  
AS A BASIS FOR TALKS - ON GENERAL DISARMAMENT.

BUT FRANCE AND RED CHINA - ARE STILL ADAMANT.

DE GAULLE REPEATS THAT HE WON'T SIGN - THE MOSCOW  
AGREEMENT. MAO TSE-TUNG GOES FARTHER - AND THREATENS  
TO SHATTER THE AGREEMENT. SHATTER IT IN THE CATAclysmic  
ERUPTION - OF HIS FIRST ATOMIC BOMB. WHICH, SAYS THE  
STRONGMAN OF RED CHINA - WILL ROCK THE WORLD. AND - SOON.

**INTEGRATION**

**THE INTEGRATION ORDER BY THE SECRETARY OF  
DEFENSE - DOES NOT LEAVE THE ISSUE UP TO LOCAL  
COMMANDERS. THE SERVICE CHIEFS MUST APPROVE ANY  
DECISION <sup>OF</sup> PLACING A CITY OR TOWN OFF LIMITS TO PERSONNEL  
IN UNIFORM. THE REASON FOR SUCH A DECISION - WHAT  
SECRETARY McNAMARRA TERMS, "RELENTLESS DISCRIMINATION  
AGAINST AMERICAN SOLDIERS."**

CIVIL RIGHTS

THE IMPORTANT THING ABOUT IVAN ALLEN'S  
TESTIMONY - IS HIS HOME STATE, AND - HIS HOME TOWN.  
IVAN ALLEN, MAYOR OF ATLANTA, GEORGIA. THE POINT BEING -  
THAT HE TESTIFIED IN FAVOR OF CIVIL RIGHTS LEGISLATION.  
THE FIRST MAJOR SOUTHERN OFFICIAL TO DO SO.

~~GOVERNOR~~ <sup>MAYOR</sup> ALLEN TELLING THE SENATE COMMERCE  
COMMITTEE - THAT THE PRESIDENT'S LEGISLATION MUST BE  
PASSED, OR ELSE, THERE WILL BE NEGRO DEMONSTRATIONS, ON  
A BIGGER SCALE THAN EVER, WITH THE DANGER OF MORE VIOLENCE,  
*even* ~~AND PROBABLY~~ <sup>- that is,</sup> A DRIFT TOWARD ANARCHY. IF BUSINESSES NOW  
INTEGRATED SHOULD ATTEMPT TO GO BACK TO SEGREGATION.

THE ANSWER TO THE PROBLEM IS - THE ADMINISTRATION  
PROPOSAL TO BAN DISCRIMINATION IN PRIVATE BUSINESSES THAT  
SERVE THE PUBLIC. SO SAYS - THE MAYOR OF ATLANTA, GEORGIA.

## LIBERIA

WITH THE CIVIL RIGHTS ISSUE BOILING HERE  
AT HOME - IT'S INTERESTING TO NOTE<sup>e</sup> THAT LIBERIA IS  
CELEBRATING AN ANNIVERSARY. LIBERIA, THE AFRICAN NATION  
THAT CAME INTO EXISTENCE - AS A HOME FOR EMANCIPATED  
AMERICAN SLAVES.

THE AMERICAN COLONIZATION SOCIETY<sup>chose</sup> SHOWS THE  
TERRITORY ON THE WEST COAST OF AFRICA - IN EIGHTEEN  
TWENTY ONE<sup>and</sup>, THE NAME "LIBERIA" WAS SUGGESTED BY ~~THE~~ <sup>one</sup>  
REVEREND ROBERT GURLEY, A WHITE CLERGYMAN. OVER THE  
YEARS, THOUSANDS OF <sup>American</sup> NEGROES CHOSE <sup>4</sup> TO EMIGRATE TO  
LIBERIA, AND IT PROVED TO BE ONE OF THE MOST ENDURING -  
OF MODERN STATES. <sup>Liberia</sup> NOW CELEBRATING ONE HUNDRED AND  
SIXTEEN YEARS - SINCE IT WAS DECLARED INDEPENDENCE.

PRESIDENT TUBMAN TODAY HELD A RECEPTION - ~~that~~  
WHICH TOASTS WERE RAISED TO THE YEAR EIGHTEEN FORTY SEVEN.  
THE YEAR THAT LIBERIA -BECAME FREE.

## RADAR

I wonder what would happen if a boat load of Israelis - went ashore at Gaza, a Sinai seaport held by Egypt. It almost happened when a Turkish captain took the Israelist aboard at Istanbul - headed across the Meditteranean toward Haifa, Israel and then his Radar - went hay wire. As a result, the Captain started to enter - the harbor at Gaza. He would have pulled up to the dock - if a passenger hadn't notice the mistake. The skipper, alerted in time, turned and went back up the coast to Haifa.

If the Israeli passengers had stepped ashore amid the Egyptians at Gaza one wonders what sort of a reception they would have had.

## SATELLITES

America's new satellite may soon appear to be "hanging" in the sky. "Syncom", instead of orbiting the earth is poised, or about to be, at a spot high-high above the Atlantic. In other words, the speed of "Syncom" - precisely matches the speed of the rotation of the earth. Hence, the Satellite may seem stationary when we look at it. Anyhow, tonight it is sending back reports "Loud and Clear".

## MOBSTER

Chicago mobster Giangana, as you know, thought he had gotten rid of the F.B.I. A court ruling in his favor - when he sued the F.B.I. for Harrassment. But the F.B.I. appealed - and today the appeal was sustained.

We've heard about Giancana being followed - even on the golf course. Today, the emphasis in Chicago was on the Mobster's Parish Church. The Judge, ruling that the Agents of J. Edgar Hoover - have a right to go to church with the lord of the Underworld. Even have a right to join the reputed boss of Chicago crime when he sings the hymns.

## POSTMASTER

The resignation of the Postmaster General - removes from Washington one of the Government's most active officials. Edward Day took the job - with the expressed intention of reforming the Post Office. Which he says he did. That is he introduced new methods like the "zip code", the use of five digits in addressing letters. He cut expenses to the point where he reduced his department's deficit - by fifty million dollars. Edward Day who gave us the zip code - now zip out of the cabinet he goes.

And here's our zip zip man - Dick Noel.

## ROCKEFELLER

Governor Nelson Rockefeller told reporters at San Francisco airport that he believes Senator Goldwater is presently the front runner for the Nineteen sixty-four G.O.P. nomination. But he added "I would not venture to guess whether he'll get in".

The Governor of New York is on his way to join us here at the Bohemian Grove, this evening. The New York Chief Executive says it's a purely personal and social visit - not connected with the Presidential race.

Governor Rockefeller also denies reports that he's planning a nine state tour. Said he :- "I am not taking any tours - I am taking some trips; but you could not in any sense call it a grand tour". Simply joining us in the tall redwoods.
