## THE RUSTY CALLOW MEMORIAL REGATTA

The Rusty Callow Memorial Regatta is held in honor of the late Russell (Rusty) Callow, former coach of crew at both the University of Pennsylvania and the United States Naval Academy. His 1952 Navy crew won the Olympics for the United States. Rusty Callow was elected to the Helms Rowing Hall of fame, as were both his 1952 and 1953 Navy Crews.

Trophies will be awarded to winners of the following events: varsity heavy-weight, varsity lightweight, varsity fours, second varsity, and freshmen. An addition, an overall point trophy will be awarded.

The trophy to be awarded the winner of the light-weight eight race is a new award which has been named the Kenneth F. Burns Cup in recognition of the contribution of Mr. Burns not only to the Rusty Callow Memorial Rowing Association but to rowing in general. Mr. Burns is crew coach at Shrewsbury High School, and is a former coach at WPI. In addition to being a founder of the R.C.M.R.A., he is also coordinator of the E.A.R.C. Sprints, which will be held on Lake Quinsigamond next weekend. Mr. Burns is a member of the Helms Rowing Hall of Fame.

The trophy to be awarded the winner of the freshmen race is named the "Doc Melder Trophy" to honor the memory of the late Dr. Eugene Melder, of Clark University. Dr. Melder started crew at Clark and was also a founder of the R.C.M.R.A.

The total point trophy will be based upon points awarded in the following four races: Varsity Heavy-Weight, Second Varsity Heavy-Weight, Freshmen, Light-Weight Varsity. The winner of the Varsity Heavy-Weight race will

receive eight points; second place, seven; third place, six; etc., and the winners of the other races will receive six points; second place, five, third place, four, etc.

Note: Lanes for afternoon races, where not indicated, will be drawn after the morning heats.
