THEY WERE ARMED WITH RIFLES, PISTOLS, AND MACHINE GUNS -- ALSO A STORE OF MOLOTOV COCKTAILS, HAND-MADE GRENADES. THE STUDENTS ARE DEFYING THE VENEZUELAN ARMY TO DISLodge THEM.

DE GAULLE

THE ANNOUNCEMENT THAT THE PRESIDENT OF FRANCE WILL VISIT ALGERIA NEXT WEEK -- MEANS THAT A SHOW-DOWN IS COMING.

DEGAULLE HAS WARNED THAT HIS ALGERIAN POLICY IS HATED BY THE FRENCH SETTLERS -- TO THE POINT WHERE THEY COULD BECOME VIOLENT. ATTEMPTED ASSASSINATION -- NOT RULED OUT.

DEGAULLE'S ANSWER IS -- THAT ANY RETREAT ON HIS PART WOULD ONLY WEAKEN HIS POSITION. AND HE FEELS THAT BOLDNESS -- WILL STRENGTHEN THAT POSITION. HE WANTS TO BRING HIS

ENEMYS TO KNEEL -- ESPECIALLY IN VIEW OF MOSCOW'S LATEST MOVE.

With
KHRUSHCHEV DECLARING -- HE IS NOW OPENLY SUPPORTING THE MOSCOW REBELS.

DEGAULLE LOOKS OVER THE WHOLE PROBLEM -- AND DECIDES TO BEARD THE LION IN ITS DEN. THE ALGERIAN LION -- WHICH SEEMS TO BECOME MORE FEROCIOUS EVERY DAY.

KENNEDY

Today's meeting between the President elect and the democratic congressman from New York - was a strategy meeting. According to Adam Clayton Powell - he discussed coming Legislation with Senator Kennedy. To push first for school aid and a minimum wage law, at the next session of Congress.

Meanwhile, Mr. Kennedy's press secretary reveals - that a major appointment will be announced on Saturday. Presumably, the first Cabinet appointment. His Secretary of State? Secretary of the Interior? Or, maybe the Secretary of Agriculture? We'll know - on Saturday.

NEW ORLEANS

The last legal hopes of New Orleans segregationists disappeared today - when a federal court ruled that Louisiana has no right to refuse a Federal Court order to integrate its public schools.

But this decision hasn't crushed the segregationists. At least, those called - "The Cheer Leaders." A crowd of about forty women, who specialize in heckling at the integrated schools. "The Cheer Leaders" started off - by harrassing the negro girls now attending the school. "The Cheer Leaders" have turned their attention to - the white children who still go to the school.

Two parents involved, are Mrs. James Gabriell - and the Reverend Andrew Foreman, who have been escorting their youngsters to class - in spite of the hostile mobs.

And they are both sticking it out - in spite of abuse and insult. Yesterday, "The Cheer Leaders" attacked Mrs. Gabrielle - and cut her on the hand. Today, they tried a repeat performance but were headed off by the police.

BRAD WASHBURN

I am at CBS Station WEEI in Boston tonight. On my way here from the airport I paid a visit to the fine Museum of Science presided over by my old friend Brad Washburn of Mt. McKinley fame. By the way, he has a special exhibition on right now of his famous Mt. Kinley pictures which I wish you could all see. Did you ever see an owl do what owles do? I never expected to. But today, I had a chat with a live great horned owl at the Boston Science Museum. He has been there nine years. They call him Snoopy. When you come to Boston look up Snoopy and see how his throat puffs up as he peers at you with those great owl eyes. And as he says: Dick, what do you suppose he says: - Yes. Whoo - whoo - whoo.
